Dividend Reinvestment Plan (DRP)

The Dividend Reinvestment Plan (DRP) is in operation and the fully franked interim dividend of 2.0 cents per share qualifies. Participating shareholders will be entitled to be allotted the number of shares (rounded to the nearest whole number) which the cash dividend would purchase at the relevant issue price.

The DRP provides you with a simple, cost effective way to increase your investment. If you missed participating in the DRP and would like to take this up, please complete a DRP Form and return it to the QVE Share Registry. DRP Forms and instructions to participate can also be obtained from the QVE Share Registry or can be found on our website: <http://qvequities.com/dividend-reinvestment-plan/>
