Dividend Reinvestment Plan

**Plan Highlights, Your Questions Answered &
Terms and Conditions**

PLAN HIGHLIGHTS

Dividend Reinvestment Plan

Under the QV Equities Limited (**QVE**) Dividend Reinvestment Plan (**DRP**), you may elect to have the dividends paid on some or all of your QVE shares automatically reinvested in additional QVE shares.

Further details of the **DRP**, in addition to these Plan Highlights and the Your Questions Answered, are contained in the accompanying Terms and Conditions.

Any information provided by QVE in this booklet is of a general nature only and does not take into account your personal circumstances. You should consult your own financial or legal adviser if you are unsure about what is the best option for you.

Right to Participate

Participation in the **DRP** is entirely optional. All shareholders with an Australian or New Zealand address on the QVE register of members are eligible to participate in the **DRP**.

Shareholders who do not have an address in Australia or New Zealand on the register of members may only participate in the **DRP** if the Directors in their absolute discretion approve of such participation.

How to Participate

You may elect to participate by completing a Dividend Reinvestment Plan Application or Variation Form (**DRP Form**) and returning it to the QVE Share Registry. **DRP Forms** may be obtained from the QVE Share Registry. This form is also available on QVE's website at www.qveequities.com/files/qve-dividend-reinvestment-form.pdf

You may join, vary your participation or withdraw from the **DRP at any time, subject to adequate notice being given. The deadline for QVE to receive your election to join, vary or withdraw from the **DRP** in respect of any particular dividend will be 5:00pm on the business day after the Record Date for that dividend.**

Full or Partial Participation

Shareholders may elect to participate as follows:

- a. full participation in the **DRP**; or
- b. partial participation in the **DRP**.

If you elect to participate fully in the **DRP**, then all shares held by you at the relevant Record Date will be treated as participating in the **DRP**.

If you choose partial participation, only the specific number of shares nominated will participate in the **DRP**. Dividends will be paid in the normal way for shares not participating in the **DRP**.

If you choose partial participation, any shares issued or transferred to you under the **DRP** will not participate in the **DRP** unless the number of shares you hold is less than the specific number of shares you have nominated to participate in the **DRP**.

Rights attaching to shares issued under the **DRP**

Shares issued under the **DRP** rank equally in all respects with existing shares from the date of issue, unless the QVE Board determines otherwise.

Issue Price

Shares are issued at the volume weighted average price of all QVE shares, traded on the Australian Securities Exchange (**ASX**) during the Price Determination Period which will commence on the first trading day after the Record Date for the relevant dividend, less any applicable discount as determined by the Directors. The length of the Price Determination Period will be announced to the **ASX** prior to each dividend.

Number of Shares to be issued

You will only receive a whole number of shares under the DRP. The number of new Shares to be issued or transferred to you depends on the value of the dividend declared.

The exact number of new Shares will be the value of the dividend entitlement divided by the Issue Price, rounded down to the nearest whole number of Shares.

Residual Balance after Shares are Allocated or Transferred

Any balance remaining after the rounding down will be retained for you and used to subscribe for shares under the DRP with the next dividend.

If you cease to participate in the DRP before the Record Date but continue to hold shares under the participating shareholder registration number at the Record Date for the next dividend, the balance will be remitted to you with the next dividend.

If you cease to hold shares under the participating shareholder registration number before the Record Date for the next dividend, the balance will be donated to a charity, chosen by the Directors in their sole discretion.

You will not receive any tax deduction for the amount donated to charity.

Costs of Participation

No brokerage or other transaction/administration costs are payable by Shareholders on Shares issued under the DRP. You will be responsible for costs associated with seeking independent advice concerning your participation in the DRP.

Variation of Level of Participation or Withdrawal

You may vary your level of participation or withdraw from the DRP at any time by completing a DRP Form and forwarding it to the QVE Share Registry.

Subject to the DRP Form being received before 5:00pm (Sydney time) on the first business day after the Record Date, the variation or withdrawal will be effective for the dividend associated with that Record Date.

DRP Statements

QVE will send you a statement for each dividend payment providing full details of shares allocated to you under the DRP.

Modification of the DRP

The DRP may be modified, suspended or terminated by the Directors at any time. Any such changes will be notified to the ASX.

Sale of Shares

Shareholders participating in the DRP may sell any of their Shares at any time (subject of course to any relevant legislative "insider trading" provisions).

Taxation

For tax purposes, dividends reinvested under the DRP, including any amounts donated to charity, are usually assessable for income tax in the same way as cash dividends in both Australia and New Zealand.

QVE takes no responsibility for any taxation liability of participants. Shareholders should seek their own independent tax advice in relation to the DRP.

YOUR QUESTIONS ANSWERED.

What is the Dividend Reinvestment Plan?

Under the plan you may elect to have dividends paid on some or all of your QVE shares automatically reinvested in additional QVE shares.

Can I participate?

You are eligible to participate in the DRP if your address on the QVE share register is in Australia or New Zealand.

If you do not have an address on the share register in Australia or New Zealand you may only participate in the DRP if the Board in its absolute discretion approves of your participation. The Board does not currently intend to allow participation by shareholders who are not resident in Australia or New Zealand.

How do I participate?

Your participation will commence with the first dividend paid after receipt of a valid DRP Form. However, the DRP Form will only be effective for a particular dividend if it is received before 5:00pm (Sydney time) on the first business day after the Record Date for that dividend.

Shareholders may elect to participate as follows:

- a) full participation in the DRP; or
- b) partial participation in the DRP.

If you elect to participate fully in the DRP, then all shares held by you at the relevant Record Date for all dividends will be treated as participating in the DRP.

If you choose partial participation, only the specific number of shares nominated will participate in the DRP. Dividends will be paid in the normal way for shares not participating in the DRP.

If you choose partial participation, any shares issued or transferred to you under the DRP will not participate in the DRP unless the number of shares you hold is less than the specific number of shares you have nominated to participate in the DRP.

Do I have to participate?

No, it is entirely optional. If you are unsure whether to participate, you should obtain your own independent advice before making a decision.

Is there a discount?

The Board will determine for each dividend whether or not a discount will be applied to the DRP. The discount, if any, will be announced to the ASX at the time the relevant dividend is announced to the ASX.

Will these shares be the same as my existing shares?

Yes, shares allotted under the DRP rank equally in all respects with existing shares from the date of allotment.

What will the Issue Price be?

Shares are allotted or transferred at the volume weighted average price of all QVE shares, traded on the Australian Securities Exchange during the Price Determination Period which will commence on the first trading day after the Record Date for the relevant dividend, less any applicable discount as determined by the Directors. The length of the Price Determination Period will be announced to the ASX prior to each dividend.

How many shares will I receive?

You will receive a whole number of shares under the DRP. The number of new shares to be allotted to each Participant depends on the value of the dividend declared. The exact number of new shares will be the value of the dividend entitlement divided by the Issue Price, rounded down to the nearest whole number of shares.

Will I have to pay anything to participate in the DRP?

No brokerage or other transaction/administration costs are payable by Participants on shares allotted under the DRP at this time.

What if I have more than one shareholding?

A separate form will have to be lodged for each shareholding registered under different names or for each shareholding that has a different shareholder registration number.

Can I vary my level of participation later? Can I withdraw from the DRP?

You may vary your level of participation or withdraw from the DRP at any time by completing a DRP Application or Variation Form and forwarding it to the QVE Share Registry.

When is the latest I can submit my DRP Application or Variation Form?

You may submit your DRP Application or Variation Form at any time, but for the application or change to be effective for a particular dividend, the form must be received before 5:00pm (Sydney time) on the first business day after the Record Date for that dividend.

How will I know how many shares I have been allotted or transferred?

QVE will send you a statement for each dividend payment providing full details of an allotment or transfer under the DRP following each dividend payment where a DRP applies.

When will shares be recorded in my name?

Shares allotted or transferred under the DRP will be recorded in QVE's register of members under your name on or about the date of payment of the relevant dividend.

You should confirm that the shares have been recorded in your name before entering into any transaction involving shares allotted or transferred under the DRP.

Can I sell my Shares?

You may sell any of your shares at any time (subject of course to any relevant legislative "insider trading" provisions).

Can the DRP be varied, suspended or terminated?

Yes. The QVE Board may vary, suspend or terminate the DRP at any time by notification to the market. The QVE Board will determine whether the DRP is to apply with respect to a dividend at the time it considers the declaration of that particular dividend.

Are my shares taxed?

Dividends reinvested under the DRP, including any amounts donated to charity, are usually assessable for income tax in the same way as cash dividends in both Australia and New Zealand. There is generally no tax benefit in participating in the DRP.

Neither QVE nor its Directors, officer, employees, representatives or agents take any responsibility or assume any liability for any taxation liability of participants. You should seek your own independent tax and investment advice in relation to the DRP.

13. MODIFICATION, SUSPENSION AND TERMINATION

- 13.1 The Directors may, in their absolute discretion, modify the Terms, or suspend or terminate the DRP at any time.
